PACSTRAP® HEAVY DUTY STRAPPING

- 1/2" x 1500' Rolls
- 3/4" x 2100' Rolls
- Standard regular duty product line for numerous industrial applications
- Can be tied or secured and fastened with buckles

airlette VENT

These shrink wrap vents are lightweight, durable, and have all-plastic construction.

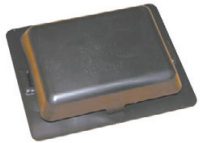

Additional features include:

- Automatically cutting its own
- ventilation hole during installation
- Automatically securing itself
- to flexible covering materials
- Automatically sealing itself,
- preventing the entry of rain & snow
- Sheltering the vent opening to prevent the entry of bugs
- Easily installs in seconds with its simple one-push installation

WEATHER TIGHT SELF-ADHESIVE VENT

4" x 5" self-adhesive, weather tight vent. Used to create a waterproof vent in a cover, allowing airflow under the cover, reducing moisture buildup without compromising the covers integrity. Removable top for easy installation. Scalloped edges with raised walls allow for vertical or horizontal installation.

END CAP

**CALL FOR
CURRENT PRICING**
